

## Design

Sideways Marketing offers custom design services in the following areas:

- Logo
  - Business card
  - Letterhead & Envelopes
  - Custom HTML email templates
  - website design (updates, programming, backend installation)
  - custom packaging (boxes, envelopes, folders, CD covers)
  - Giveaways (corporate client gifts)
  - brochures, booklets, pamphlets
  - Direct Mail campaigns
- I personally hand-pick all the creative professionals for their proven track record, professionalism and reliability as well as their expertise in their given areas. I oversee each step of the project to maintain a high level of quality, stay within the budget and deliver the finished product within the designated timeframe. In addition to design, I also provide printing and fulfillment on all of the above products and offer competitive prices on quality materials. Package prices are available upon request. Please view our portfolio page to see samples of some of our past design projects.
